

SQHN ACTIVITIES REPORT 2019

Every year the Society is committed to having trainings, workshops and conferences to engage healthcare practitioners in cultivating the culture of quality care delivery to improve patient outcome and patient experience of care.

Some activities so far;

- ❖ We had 3 CIQPS training sessions in Lagos and none upcountry.
- ❖ 2 Advanced courses on Quality Improvement Tools in Lagos.
- ❖ 2 workshops with a total of 102 participants in attendance.
- ❖ A summit in Collaboration with ISQua in June on Patients' Experience of Care.
- ❖ Our annual conference in collaboration with Medic- West Africa in October.
- ❖ Membership engagement through newsletter, social media handles s.

New membership registrations and membership renewals

- ❖ The second phase of accreditation is almost completed with surveyors' training being the only pending activity .
- ❖ Commencement of practicum at 5 primary healthcare centres.

SQHN Quality Institute

Training	No of Planned Training Participants	Actual Training Participants	No of Planned Training Sessions	Actual Training Sessions	Remarks
CIQPS Lagos Upcountry	32 60	24 0	4 6	3 0	Target in Lagos was met with one class left to hold in December; no trip upcountry could be made due to low registration.
Advance Course	20	9	4	2	Only 45% participants turn out but which is good taking into consideration 20 was planned for all 4 trainings.
Workshop	120	102	4	2	85% turn out of participants, the feedback received about the quality of the workshop was positive.
SQHN/MWA Conference	150	72	1	1	48% turn out of participants in respect to planned turn out.
ISQua/SQHN Summit	-	142	-	1	We had our first collaboration with ISQua. And the turnout was commendable.

Membership Renewal/Registration

The target was to get all 156 members of the society to renew their membership but only 35% of members have renewed theirs.

Category	Estimated Number	Actual Number	Remarks
Standard Membership Renewal	156	56	Only 35% of members have renewed their membership
New Registration	60	23	38% of new registration in respect to the projected figure for the year.
Hospital Membership Registration / Renewal	Facility of 1-50 beds - 6 Facility of 51 - 100 beds - 4	Facility of 1-50 beds - 7 Facility of 51 - 100 beds - 2	We had a 100% registration for Facility of 1-50 beds and a 50% registration for Facility 51-100 beds Membership registration for 1-50 beds both in respect to the projected figures for the year.
Corporate Membership	3	-	We had no new corporate membership
Corporate Partnership	6	4	There is room for improvement.

SQHN Accreditation

Task	Remarks
Complete second phase of accreditation	All activities under this were achieved except surveyors' training. Short listing is ongoing, the training shall commence early next year. Accreditation of SQHN Standards is in progress, we are expecting a factual accuracy review before the end of the year.
Practicum	Commenced practicum at 5 primary healthcare centres.
Clinical Quality Registry	Work on this is ongoing.
